

# ORGAN PROCUREMENT ORGANIZATIONS PROFESSIONAL LIABILITY

Allied World understands the unique needs of Organ and Tissue Procurement Organizations, Tissue Processors/Service Providers and is able to provide expert coverage guidance, claims support, and risk management insight. Rather than treating Organ and Tissue Procurement Organizations (OPOs) the same as any other healthcare organization, we have developed specific expertise, services, and dedicated resources to be a market leader in OPO professional liability.

## FEATURES & HIGHLIGHTS

Working with Allied World is easy. Our simple application process only asks questions that are appropriate to the exposures associated with Organ Procurement Organizations. With commitment, flexibility and underwriting expertise, we pride ourselves in our quick response and industry-leading coverage:

- Medical professional definition amended to include OPO services
- Professional, general, employee benefits, and excess (umbrella) liability coverage available
- Medical director's coverage included
- OPO-specific policy form and applications
- OPO-specific risk management services provided
- Expertise in handling claims
- Broad definition of claims "trigger" as "incident" based
- Flexible defense cost options. Defense costs are available outside the limits of liability or can be included within the limits for a premium discount

## LIMITS

- Standard primary limits of \$1 million/ \$3 million
- Excess or umbrella up to \$15 million

## JURISDICTIONS

Available in most states on a non-admitted basis

## RISK MANAGEMENT SERVICES

At Allied World, we believe every medical organization should have access to our risk management services - offered at no additional charge as part of our coverage. There are many ways to deliver services that manage risk. There are also ways to control outcomes and be proactive rather than reactive. Our approach is to customize our services to best meet the needs of our policyholders – ranging from a 24/7 hotline to online resources. Our risk management helps to prevent problems. We can also help to manage a crisis for a better outcome, which lowers costs and stress levels.

## FINANCIAL STRENGTH

We understand how important it is that a carrier has the financial strength to ensure that it will be there when your clients need us. Allied World Assurance Company has earned an A.M. Best Company "A (Excellent)" rating. We believe that our conservative balance sheet and solid capital base put us in a superior position to withstand future economic upheavals and to provide our insureds the protection they need.
